John Acord:

JOHN ACORD, PRO SE

1 Q Okay. And if you would look to Page 13, the bottom of the
2 page, the last paragraph, did you write, and I quote:

3 "These documents and others, if admitted by Mason and
4 the Plaintiff, would clearly cause Mason to be
5 subject to charges of perjury for his testimony on
6 December 13. Mason, aided and abetted by his
7 counsel, has refused and will continue to refuse to
8 comply with the orders of this Court, so you would
9 subject Mason's attorneys to admitted multiple acts
10 of perjury, tortuous interference, as well as failure
11 to obey the United States District Court in Maryland
12 permanently enjoining Mason and anyone associated
13 with him with committing said tortuous acts and
14 making disparaging comments about Mr. Acord."

15 Is that your writing?

16 A I wrote that, yes.

17 Q Okay. So it's clear that based on your own discovery
18 analysis, Mr. Acord, that the relevancy of these documents in
19 your mind is to make a case of perjury and tortuous
20 interference and disparagement against Mr. Mason, isn't that
21 correct?

22 A Well, yes, yes it is.

23 **MR. FREEMAN:** Okay, I have no further questions of
24 this witness.

25 **THE COURT:** All right. Mr. Singer?
